

March 5, 1962

Mr. Charles E. Quigley
Advance Registration
2614 Kirkwood Place
West Hyattsville, Maryland

Charles:

I am thoroughly convinced that if there is something to be done it is quicker and more reliably handled when you do it yourself. I finally did some checking myself on the cost of coffee and pastry. The University should supply the liquid and a local caterer will furnish the stuffings: total cost to serve 150 people (servings) \$20.00. I hope this isn't too exorbitant....don't think it is when I glance over the registration fees.

I have enclosed a letter received from WBBF, Clemson, S.C., which has erroneously made its way to me. I guess that Dick's letter to the member stations will clear this up.

I am currently writing a welcome letter which we will have mimeographed and sent to you. Also the maps should be in the mail this week.

Yale's Spring vacation begins on March 16 and I will be travelling to Florida to remain there until March 28. If there is any information that is pertinent concerning the registration which can't be handled in that first week of April, please let me know.

Sincerely,

John H. Davison, Chairman
The Yale Broadcasting Company
